Subject: Request for Public Meeting; Permit No. WQ0015225001; KBARC LLC; BRAZOS

To Whom It May Concern,

Recently, my office has been contacted by a number of concerned constituents in relation to the application for Permit WQ0015225001 in Brazos County. While many residents have already submitted comments to the Texas Commission on Environmental Quality (TCEQ), I believe there is greater room for discussion of this permit application.

Therefore, on behalf of my constituents, I would like to formally request a public meeting on the permit so that TCEQ can address all of the residents' questions and concerns.

Thank you for your consideration of this request and I look forward to working with you to address the needs of the people of Texas.

If you have any questions please feel free to contact my Chief of Staff, Terra Willett, at (512) 463-0412 or at Terra.Willett@house.state.tx.us.

Thank you,

Kyle Kacal
State Representative
