Dear Ms. Bohac:

It is my understanding the Executive Director of the TCCEQ considers my request for a public meeting in the above referenced matter to be a request for a contested case hearing. I misunderstood the request at that time. I only wished to request a public meeting and that was held on September 16, 2015. Therefore, please be advised that I do not request a contested case hearing on the above-referenced matter.

I appreciate the TCEQ's efforts to provide the public an opportunity to review this application and to answer our questions. If you have any question, please feel free to contact me at [ronfincher@gvtc.com](mailto:ronfincher@gvtc.com).

Thank you for your consideration and courtesies.

Yours truly,

Ronald E. Fincher
