RE: Waste Water Treatment System Permit # **WQ0015381001**

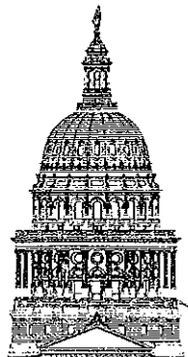

To Whom it May Concern:

Our office would like to voice the concerns of our constituents on the above referenced permit request. You may have been aware that I, along with many of the residents in the area opposed the tax credits for the building of the Lodge at Huffmeister last year which has been renamed to Meadows at Cypress Creek (TDHCA Tax Credit Application #14272). They were denied water from their local MUD and now are pursuing their own treatment center. The community still opposes this project and they are now worried about the gray water effecting the area's ecosystem. Many have asked that I request a public hearing on the project to hear from TCEQ on the topic.

Please accept this letter as opposition to the treatment system for the Lodge at Huffmeister as well as requesting a public hearing on the proposed permit.

Sincerely,

Allen.Fletcher@house.state.tx.us
