QUALITY

Sirs:

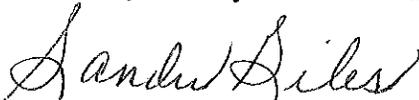

This is to **APPEAL** the USE DETERMINATION CERTIFICATE
Issued on February 6, 2014 to:
DCP Sand Hills Pipeline, LLC
Sand Hills Pipeline – Edwards County natural gas liquids pipeline – 20 inch
Edwards County.
Regulated Entity Number: RN107099673
Customer Reference Number: CN604514109
Application Number: 17494
Tracking Number: SH-2014-91

Appeal of finding

The Property **does not exist** in Edwards County. The property as described on the Use Determination is **intangible and not taxable**. They filed for an exemption on a **test**. The **test** is not part of the pipeline. As Chief Appraiser, I will have to deny the exemption due to that fact when filed for in April.

I would like to ask why I was not notified of the hearing and or application. Also has this been filed and granted in other counties? If so, please advise me of those counties.

Thank you for your time and consideration.
