Re: TCEQ Docket No. 2015-0844-MIS; Petition for Inquiry Submitted by Curtis Chubb, Ph.D.

Dear Ms. Bohac:

Lost Pines Groundwater Conservation District is within Groundwater Management Area (GMA) 12. The Post Oak Savannah Groundwater Conservation District is also within GMA 12. The Post Oak Savannah Groundwater Conservation District has actively participated in in the joint planning process and adoption of desired future conditions for GMA 12 under Texas Water Code Section 36.108.

Lost Pines Groundwater Conservation District takes no position on whether the Post Oak Savannah Groundwater Conservation District rules are designed to achieve the applicable desired future conditions, whether the Post Oak Savannah Groundwater Conservation District rules adequately protect groundwater in GMA 12, or whether the Post Oak Savannah Groundwater Conservation District enforces substantial compliance with its rules.

Please do not hesitate to contact me if you have any questions.

Sincerely,

James Totten, General Manager
