Re: SOAH Docket No. 582-04-7557; TCEQ Docket No. 2004-0834-UCR; In Re: Application of Campbellton Water Works, Inc. to Discontinue Water Utility Service and Cancel Certificate of Convenience and Necessity No. 12581

Dear Mr. Seal:

I have reviewed the exceptions filed by Joan Roane to the Proposal for Decision (PFD) that I issued in this case. After reviewing those exceptions, I continue to stand by the recommendations in the PFD and I have no changes to submit at this time. The exceptions are essentially the same arguments as those raised in the briefs, which I generally addressed in the PFD. Moreover, in my opinion, the Executive Director's response to exceptions correctly and sufficiently addresses the exceptions.

I intend to appear at the Open Meeting at which the Texas Commission on Environmental Quality will consider this matter and I will be available to answer any questions the Commissioners might have at that time.

Sincerely,

A handwritten signature in black ink, appearing to read "C. R. Bennett".
