Re: GW Carter Estate / Doray Hill and Diane Hill; TCEQ Docket No. 2006-1140-MSW-E; SOAH Docket No. 582-09-2078

By letter dated February 28, 2011, Mr. Jim Sallans, on behalf of the Executive Director of the Texas Commission on Environmental Quality, requested an extension of the deadline to file his reply brief in the above matter from the original deadline of Thursday, February 24, 2011 at 5:00 p.m. until Friday, February 25, 2011 at 5:00 p.m. Counsel for the Executive Director indicated that he requests the extension because he calculated ten days from the date exceptions were filed rather than relying on the deadline provided in the Administrative Law Judge's Proposal for Decision. The reply brief was filed with the Chief Clerk's Office on February 25, 2011 at 4:49 p.m.

Counsel for the Executive Director contacted the other parties, none of which object to the filing extension. For clarity, it would appear that both ten days from the date that exceptions were filed (the only exceptions filed were done so by the Executive Director), and the reply deadline provided by the Administrative Law Judge, would fall on the same deadline day of February 24, 2011. That being said, due to the uncontested nature of this request, the deadline for the filing of a reply brief is extended to **5:00 P.M. on Friday, February 25, 2011**. If you have any questions about the briefing schedule or related matters, please do not hesitate to contact me.

Respectfully,

A handwritten signature in black ink, appearing to read "Les Trobman".
