Executive Director of the Texas Commission on Environmental Quality,  
Petitioner vs. Double Diamond Utilities Co. d/b/a White Bluff Community  
Water System, Respondent**

Dear Mr. Trobman:

I have reviewed the exceptions filed by Double Diamond Utilities to the Proposal for Decision (PFD) that I issued in this case, as well as the response to exceptions filed by the Executive Director. After reviewing the exceptions and response, I do not believe that any changes are warranted to the PFD or the proposed final order.

Thank you for your attention to this matter.

Sincerely,

Thomas H. Walston
