Re: An Enforcement Action Concerning Advantage Asphalt Products, LTD.; TCEQ Docket No. 2007-0768-AIR-E; SOAH Docket No. 582-08-0523.

The above-named matter is scheduled to be considered by the Texas Commission on Environmental Quality (Commission) at its July 20, 2011 public meeting. On June 30, 2011, Scotty Knutson filed a request on behalf of Advantage Asphalt Products, LTD. (Respondent) for continuance of this matter to the next available agenda. The letter explains that Mr. Knutson, who is handling this matter on behalf of Respondent, is unable to attend the July 20, 2011 public meeting due to family commitments. The Executive Director has filed an objection to the requested relief.

My office notes that a previous continuance from the June 8, 2011 agenda was granted based upon the Respondent's request that this matter be set in July 2011. Through this correspondence, all parties are hereby notified that no action will be taken on this request prior to the July 20, 2011 public meeting. Therefore, this matter remains set for the Commission's July 20, 2011 public meeting beginning at 9:30 A.M., as previously noticed. The meeting will take place in Room 201S of Building E, 12118 N. Interstate 35, Austin, Texas.

If you have any questions about the public meeting or related matters, please contact Barham A. Richard at (512) 239-0107.

Very truly yours,
