Dear Mr. Trobman:

The Proposal for Decision (PFD) issued in this case is set for consideration by the Commission at its Open Meeting on January 14, 2009. The Executive Director (ED) filed exceptions to the PFD recommending corrections related to formatting and technical issues. I have no objection to the ED's proposed corrections. The Respondent did not file exceptions to the PFD, but he did submit a letter stating that he is no longer in business and lacks financial resources. In reviewing this letter, it is not clear whether Respondent sent a copy to the ED, so I am attaching a copy of it to this letter.

Thank you for your attention to this matter.

Sincerely,

Thomas H. Walston
