Re: Creation of a Groundwater Conservation District for Priority Groundwater Management Area in Dallam County; SOAH Docket No. 582-09-2350; TCEQ Docket No. 2008-1940-WR.

This letter is in response to the Motion to Extend Deadline to File Replies to Exceptions to the Proposal for Decision (Motion) filed by the Executive Director on January 27, 2010 in the above-referenced matter. The Motion requests an extension of time to file replies to exceptions to the Administrative Law Judge's Proposal for Decision until January 22, 2010 to make timely the Executive Director's reply to exceptions filed on January 22, 2010. The Motion represents that counsel for the Executive Director has contacted the other parties to the proceeding and that only Doug Caroom, representing the Protestants, opposes the requested extension.

After having reviewed the Motion filed by the Executive Director and the Motion to Strike filed by Doug Caroom, OGC finds that extending the deadline by one day is appropriate under the circumstances as they present themselves in this instance, including that there is no opportunity to file a response to the reply to exceptions. Therefore, the deadline to file Replies to Exceptions in the above-referenced matter is hereby extended until 5:00 p.m. on January 22, 2010, pursuant to 30 TAC §80.257(b).

If you have any questions concerning this matter, please contact Elaine Lucas, Assistant General Counsel, at (512) 239-6215.

Very truly yours,
