RE: TCEQ Docket No. 2009-0185-WR; SOAH Docket No. 582-10-0292;  
In Re: Application No. 14-1298B by City of San Angelo for Amendment to  
Certificate of Adjudication No. 14-1298.

Dear Ms. Castañuela:

The City of San Angelo, Applicant in the above-referenced contested matter (the "City" or the "Applicant"), has received and reviewed the Proposal for Decision issued by Administrative Law Judge Sharon Cloninger following the contested case hearing on the above-referenced application (the "1298B PFD"), as well as the Judge's proposed order issued in conjunction with the same.

The Applicant believes that the 1298B PFD reflects Judge Cloninger's careful consideration of the issues relevant to the above-referenced application, and that it demonstrates her thoughtful analysis of the evidence admitted into the record during the evidentiary hearing. The Applicant believes strongly that each of the ultimate conclusions Judge Cloninger reaches in the 1298B PFD and her proposed order is supported by the overwhelming weight of evidence contained in the record.

Accordingly, the Applicant takes no exception to any of the findings of fact or conclusions of law made by Judge Cloninger, and it urges the Commission to consider following the Judge's recommendation on the application and issuing the proposed order included with the 1298B PFD.

Respectfully submitted,

  
Jason T. Hill
