Re: Request for extension of time for oral argument during December 7, 2011 Commission consideration of the Application of Republic Waste Services of Texas, Ltd. for Municipal Solid Waste Permit No. 2356; TCEQ Docket No. 2009-2058-MSW; SOAH Docket No. 582-10-2069

Mr. Trobman:

On behalf of Walsh Ranches Limited Partnership, ATH-1187, Ltd., and Aledo Independent School District ("Walsh Aligned Parties"), I write to request an extension of the time allowed for oral argument in the above-referenced matter.

This case not only involves an extensive evidentiary record, but also presents the Commission with several different substantive policy questions. Furthermore, a decision in this case requires the determination of significant procedural issues related to the Administrative Law Judge's exclusion of the City of Aledo (the "City") as a party, and acceptance of evidence into the record after the submission of Closing Arguments. At this time, both the City of Aledo and Walsh Aligned Parties intend to make a presentation to the Commission during the time allowed for oral arguments on this matter.

Given the nature and complexity of the issues involved, Walsh Aligned Parties respectfully requests that the time for oral argument be extended from five (5) minutes per side to ten (10) minutes per side. Thank you for your consideration of this matter, and please feel free to contact me if you have any questions.

Sincerely,

Eric Allmon  
For Walsh Aligned Parties
