Re: Application by Republic Waste Services of Texas, Ltd. for Permit No. MSW-2356
TCEQ Docket No. MSW-2356

2009-2058-MSW

Mr. Vickery:

I am writing you today to express my support for the denial of Republic Waste Services of Texas Ltd.'s application to operate the Brazos Waste Transfer Station near the Cities of Willow Park and Aledo, Texas.

The Parker County Commissioners Court voted unanimously to object to the approval of this permit as did the City Councils of both Willow Park and Aledo. The Texas Commission on Environmental Quality's own Office of Public Interest Counsel is recommending denial of this permit. This waste transfer station will adversely affect the quality of life for citizens of both cities and the county at large including many of the public schools.

I ask that you respectfully consider these objections and recommend to the Commission that the application be denied.

Thank you,

Rep. Mark Shelton
