## NOTICE OF PUBLIC MEETING FOR TPDES PERMIT FOR MUNICIPAL WASTEWATER RENEWAL

**PERMIT NO. WQ0010889001**

**APPLICATION.** City of La Coste, P.O. Box 112, La Coste, Texas 78039, has applied to the Texas Commission on Environmental Quality (TCEQ) for a renewal of Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0010889001, which authorizes the discharge of treated domestic wastewater at a daily average flow not to exceed 200,000 gallons per day.

The facility is located at 11331 County Road 584, La Coste, in Medina County, Texas 78039. The treated effluent is discharged to an unnamed tributary; thence to Polecat Creek; thence to Medina River Below Medina Diversion Lake in Segment No. 1903 of the San Antonio River Basin. The unclassified receiving water use is high aquatic life use for the unnamed tributary and for Polecat Creek. The designated uses for Segment No. 1903 are high aquatic life use, public water supply, aquifer protection, and primary contact recreation. The discharge is below the Edwards Aquifer contributing, recharge and transition zones. All determinations are preliminary and subject to additional review and/or revisions. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the application or notice. For the exact location, refer to the application.

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements.

**PUBLIC COMMENT/PUBLIC MEETING.** A public meeting will be held and will consist of two parts, an Informal Discussion Period and a Formal Comment Period. A public meeting is not a contested case hearing under the Administrative Procedure Act. During the Informal Discussion Period, the public will be encouraged to ask questions of the applicant and TCEQ staff concerning the permit application. The comments and questions submitted orally during the Informal Discussion Period will not be considered before a decision is reached on the permit application and no formal response will be made. Responses will be provided orally during the Informal Discussion Period. During the Formal Comment Period on the permit application, members of the public may state their formal comments orally into the official record. A written response to all timely, relevant and material, or significant comments will be prepared by the Executive Director. All formal comments will be considered before a decision is reached on the permit application. A copy of the written response will be sent to each person who submits a formal comment or who requested to be on the mailing list for this permit application.

and provides a mailing address. Only relevant and material issues raised during the Formal Comment Period can be considered if a contested case hearing is granted on this permit application.
