Proposed Permit No. 2374

APPLICATION. Rancho Viejo Waste Management, LLC, 1116 Calle del Norte, Laredo, Webb County, Texas 78041, a waste management company, has applied to the Texas Commission on Environmental Quality (TCEQ) for a permit to authorize the Pescadito Environmental Resource Center, a new MSW Type I Landfill, Recycling, and Processing Facility. The facility is located at 2864 Jordan Road, approximately 5 miles southeast of U.S. Highway 59 at Ranchitos Las Lomas, Laredo, Webb County, Texas 78043. The TCEQ received the land use compatibility portion (Parts I & II) of the application on April 15, 2011. Portions of the permit application, Parts III and IV, were received by the TCEQ on March 9, 2015. The TCEQ has consolidated the review and processing of all parts of the application and issues this notice as required by rule. All public participations, comments, and requests for a contested case hearing on Parts I and II of the application have been preserved, and a decision whether to grant the contested case hearing requests will be made by the Commission following the comment and hearing request periods held in conjunction with this consolidated application. The following link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice: <http://www.tceq.texas.gov/assets/public/hb610/index.html?lat=27.559&lng=-99.160&zoom=13&type=r> For the exact location, refer to application.

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements.

PUBLIC COMMENT/PUBLIC MEETING. A public meeting will be held and will consist of two parts, an Informal Discussion Period and a Formal Comment Period. A public meeting is not a contested case hearing under the Administrative Procedure Act. During the Informal Discussion Period, the public will be encouraged to ask questions of the applicant and TCEQ staff concerning the permit application. The comments and

questions submitted orally during the Informal Discussion Period will not be considered before a decision is reached on the permit application and no formal response will be made. Response will be provided orally during the Informal Discussion Period. During the Formal Discussion Period on the permit application, members of the public may state their formal comments orally into the official record. A written response to all formal comments will be prepared by the Executive Director. All formal comments will be considered before a decision is reached on the permit application. A copy of the written response will be sent to each person who submits a formal comment or who requested to be on the mailing list for this permit application and provides a mailing address.
