Please note that laboratories with an active application are not considered to be accredited. Only those laboratories approved by the TCEQ and issued an active NELAP accreditation certificate are accredited. The TCEQ will not accept *"environmental testing laboratory data and analyses for use in commission decisions regarding any matter under the commission's jurisdiction relating to permits or other authorizations, compliance matters, enforcement actions, or corrective actions"* from laboratories in applied status. Simply having submitted an application is not guarantee of eventual accredited status, not all laboratories that apply will be granted accreditation.
