

# Texas Commission on Environmental Quality

12100 Park 35 Circle  
Building A  
Austin, Texas 78753

The following list contains laboratories accredited by the State of Texas under the National Environmental Laboratory Accreditation Program (NELAP). For a comprehensive list of certified analytes and methods for each laboratory, click on the "Fields of Accreditation" link at the right of the lab's information entry, contact the individual laboratory, or call the Texas Commission on Environmental Quality (TCEQ) at (512) 239-3754.
