

Biography: Michael Shepherd

Shepherd Technical Services

Current Position

Dr. Michael Shepherd is the principal of Shepherd Technical Services.

Prior Experience and Education

Dr. Michael Shepherd received his Bachelor of Science in Chemistry from Baylor University in 1982. He completed his graduate studies at the University of Texas at Austin in 1986, earning the degree of Doctor of Philosophy in Chemistry.

Upon completion of his graduate studies, he took a position with Radian Corporation in Austin, Texas. His 14 year career with Radian encompassed a variety of environmental and regulatory analytical problems. Prior to establishing Shepherd Technical Services, Dr. Shepherd also held positions as Technical Director for STL-Austin and Quality Control Manager for Cerilliant Corporation. With Shepherd Technical Services, he provides technical consulting services focusing on laboratory quality assurance, operational management, laboratory accreditation, and independent data review and validation. Dr. Shepherd is currently a member of the TNI Field Activities Committee, an approved Assessor for NEFAP, DoD ELAP, and for NELAP, performing assessments for TCEQ as a contractor.

While not travelling the laboratory globe, Michael enjoys spending time with his wife, teenage daughter, and two miniature dachshunds.
