

**EPA 8-hr Ozone Modeling Guidance Meeting**  
**UT – Pickle Center Commons building (Rm. TBD)**  
**May 25, 2006 9:00 a.m. – 3:00p.m.**

**Agenda**

9:00 a.m. Introductions / Opening Remarks

9:10 a.m. Episode Selection and Conceptual Model

9:40 a.m. Basecase/Met Model performance (statistics/graphical/diagnostic evaluations; bilinear interpolation vs. grid cell array sizes, 1-hr vs. 8-hr, model response to emission changes, precursor performance, base EI)

10:20 a.m. 8-Hour Attainment Demonstration Issues  
(Base year, Base Emission Inventory ; monitors to be utilized; selection of base DV; specific day/monitor model performance issues; appropriate arrays; unmonitored area test; considerations in utilizing other modeling efforts; assessment tools)

12:00 p.m. Lunch (brought in)

12:30 p.m. 8-Hour Attainment Demonstration (Continued)

1:00 p.m. Other issues (Emission trading issues, Chlorine chemistry, etc.)

1:30 p.m. Weight of Evidence

2:10 p.m. Wrap-up and Outstanding items

3:00 p.m. Adjourn
