

Chapter 115. Volatile Organic Compounds

Vent Gas Control in Aransas, Calhoun, Hardin, Matagorda, Montgomery, San Patricio, and Travis Counties

The Texas Air Control Board has amended §115.401 to address alternate means of control for all of Chapter 115 (131.07). The section now places alternate means of control in one subchapter for improved clarity and a common single reference for any alternate control procedure. Therefore, the board repeals §115.46 (131.07.05.106) since the same control requirements are now contained in §115.401. The repeal of §115.46 (131.07.05.106) is adopted without change to the proposed notice of repeal published in the November 11, 1980, issue of the *Texas Register* (5 TexReg 4483).

This repeal is adopted under authority of Texas Civil Statutes, Article 4477-5.

Issued in Austin, Texas, on April 7, 1981.
