

TEXAS AIR CONTROL BOARD
1100 West 49th Street
Austin, Texas 78756

ORDER NO. 72-7

AN ORDER adopting and promulgating new Regulation VII (Control of Air Pollution from Nitrogen Compounds); directing the Executive Secretary to file a certified copy of this order and Regulation VII (Control of Air Pollution from Nitrogen Compounds) adopted hereby with the Secretary of State; and directing the Executive Secretary to send notice of this action to every person heard or represented at the hearing on the proposed adoption of said Regulation VII (Control of Air Pollution from Nitrogen Compounds) and to every person requesting such notice.

WHEREAS, pursuant to the requirements of Section 3.09(b), Article 4477-5, Vernon's Texas Civil Statutes, and Article 6252-13, Vernon's Texas Civil Statutes, the Texas Air Control Board duly published notice of a public hearing scheduled on December 9-11, 1971, for the purpose of considering a proposed implementation plan, air quality standards, and rules and regulations for the State of Texas; and duly circulated interested persons in advance of the hearing notice of its intended action, which notice included copies of the proposed Regulation VII (Control of Air Pollution from Nitrogen Compounds); and

WHEREAS, interested persons were invited to submit data, views, and recommendations on the proposed revision of the regulations and adoption of new regulations, either orally or in writing, at the hearing; and

WHEREAS, data, views, and recommendations of interested persons were submitted to the Board at the hearing and were considered by the Board in adopting the new Regulation VII (Control of Air Pollution from Nitrogen Compounds) appended hereto.

NOW, THEREFORE, BE IT ORDERED BY THE TEXAS AIR CONTROL BOARD:

1. That the new Regulation VII (Control of Air Pollution from Nitrogen Compounds) appended to this order be adopted and promulgated;

2. That the Executive Secretary be directed to file a certified copy of this order together with the new Regulation VII (Control of Air Pollution from Nitrogen Compounds) adopted and promulgated hereby, with the Secretary of State pursuant to Article 6252-13, Vernon's Texas Civil Statutes. Thirty days after being filed with the Secretary of State the new Regulation VII (Control of Air Pollution from Nitrogen Compounds) shall become effective.
3. That the Executive Secretary be further directed to send notice of this action by mail to every person heard or represented at the hearing on the proposed adoption of said Regulation VII (Control of Air Pollution from Nitrogen Compounds) and to every person requesting such notice.

PASSED this 26th day of January, 1972.
