Re: Notification of Cessation of Facility Operations  
Exide Technologies, 7471 South 5<sup>th</sup> Street, Frisco, Texas  
Agreed Order Docket No. 2011-0521-MIS  
Account No. CP-0029-G

Dear Mr. Covar:

In accordance with Paragraph 41 of Agreed Order No. 2011-0521-MIS, Exide Technologies (“Exide”) is hereby notifying you that it has elected to permanently shut down operations at Exide’s Frisco, Texas Battery Recycling Center. Effective November 1, 2012, Exide will begin curtailing certain recycling operations at the Center, located at 7471 South 5th Street, Frisco, Texas. All recycling operations will cease operation by November 30, 2012 and the facility will be considered permanently shut down as of that date.

In accordance with Paragraph 41(b) of Agreed Order No. 2011-0521-MIS (AG), Exide will continue to operate relevant baghouses and other relevant control equipment and implement good housekeeping practices to control lead emissions as long as practicable during removal or demolition of equipment. In addition, the waste water treatment facility will continue to operate. Decontamination of equipment and buildings, equipment removal, and demolition of site buildings is scheduled to begin on or after December 3, 2012.

Please contact me at (972) 335-2121 if you need any additional information or have any other questions regarding the planned shutdown.

Sincerely,

David McKercher  
Plant Manager
