## ACCEPTANCE & COMPLETION OF PUNCH LIST

Date of Issue: Oct. 4, 2005

*9 SHOP TESTING OK*

**WESP-2F Pilot System**

P.O. / Contract No.: 041505-1215

Job No.: **A84-100**

Contract Date: Apr. 15, 2005

This acknowledgment applies to the following equipment installation in the subject contract.

PRELIMINARY ACCEPTANCE			
This is to certify that the above equipment installation has been inspected by the parties listed below, and that as of this date <u>10/29/05</u> the equipment installation is complete, excepting only the Final Punch List items attached.			
Delivery and construction is sufficiently complete in accordance with the contract documents so the owner can use the installed equipment for the purpose it was intended.			
The owner accepts the equipment installation, Punch List items excepted, and assumes full possession and responsibility for security, maintenance and insurance. All applicable warranties as stated in the contract documents also commence as of this date.			
Any future involvement with the installed system will be handled under the EISENMANN warranty, which commences on this date and expires on _____. Contact EISENMANN Industrial Sales department at (815) 455-4100 for service.			
EISENMANN CORPORATION		WOW ENERGIES <i>[Signature]</i>	
Name:		Name:	<u>Daniel Sturgeon</u>
Date:		Date:	<u>10/29/05</u>

COMPLETION OF FINAL PUNCH LIST + SHOP TEST			
This is to certify that all Final Punch List items have been completed.			
EISENMANN CORPORATION		WOW ENERGIES <i>[Signature]</i>	
Name:		Name:	<u>Daniel Sturgeon</u>
Date:		Date:	<u>10/29/05</u>

After each sign off, route copies to: Accounting, Project Manager & all parties responsible for completing punch list items. Project Manager to file this form in the Project Correspondence Book in front of all other documentation, in a plastic cover.

Note: The as-built drawings also required for this task are identical to the design drawings submitted for Task 2 therefore they have not been resubmitted.

The design drawings consist of several oversized pages which the grantee has requested be held confidential due to their proprietary nature.
