

Omar Valdez

TCEQ Senior Project Manager/Program Coordinator

Omar Valdez has a B.S. in Biochemistry from the University of Texas and a Masters Certificate in Project Management from the George Washington University School of Business. He has been working in the environmental sector since 1996 and has been a Senior Project Manager with TCEQ since 2002. He has served as a Field Chemist managing hazardous wastes at Department of Defense sites. He has served as a Hazardous Materials Specialist and Lead Field Chemist in Hazmat teams leading emergency responses. Omar is the Program Coordinator of the TCEQ's Superfund Site Discovery and Assessment Program and the Removals Program. He represents Texas and EPA Region 6 states in the Association of State and Territorial Solid Waste Management Officials as a member of the Removals Focus Group. Omar has been distinguished as a Remediation Division Employee of the Quarter, the 2009 Office of Compliance and Enforcement Employee of the Year, and the TCEQ agency-wide 2009 Employee of the Year.
