TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Protecting Texas by Reducing and Preventing Pollution

PUBLIC HEARING ON PROPOSED REVISIONS TO 30 TAC CHAPTER 319

The Texas Commission on Environmental Quality (commission) will conduct a public hearing to receive testimony regarding proposed revisions to 30 Texas Administrative Code (TAC) Chapter 319, General Regulations Incorporated into Permits, §319.302 and § 319.303.

The proposed rulemaking would clarify language for safety precautions for the general public in the event of a wastewater spill and remove the current notice form from the rule replacing it with required elements of the wastewater spill notice.

The commission will hold a public hearing on this proposal in Austin on December 9, 2010, at 10:00 in Bldg B, Room 201A, at the commission's central office located at 12100 Park 35 Circle. The hearing is structured for the receipt of oral or written comments by interested persons. Individuals may present oral statements when called upon in order of registration. Open discussion will not be permitted during the hearing; however, commission staff members will be available to discuss the proposal 30 minutes prior to the hearing.

Persons who have special communication or other accommodation needs who are planning to attend the hearing should contact Charlotte Horn, Office of Legal Services at (512) 239-0779. Requests should be made as far in advance as possible.

Written comments may be submitted to Natalia Henricksen, MC 205, Office of Legal Services, Texas Commission on Environmental Quality, P.O. Box 13087, Austin, Texas 78711-3087, or faxed to (512) 239-4808. Electronic comments may be submitted at: <http://www5.tceq.state.tx.us/rules/ecomments/>. File size restrictions may apply to comments being submitted via the eComments system. All comments should reference Rule Project Number 2010-024-319-OW. The comment period closes December 13, 2010. Copies of the proposed rulemaking can be obtained from the commission's Web site at http://www.tceq.state.tx.us/nav/rules/propose_adopt.html. For further information, please contact Lynda Clayton, Water Quality Assessment Section, (512) 239-4591.
