

## INDEX

### CHAPTER 113 STANDARDS OF PERFORMANCE FOR HAZARDOUS AIR POLLUTANTS AND FOR DESIGNATED FACILITIES AND POLLUTANTS

#### SUBCHAPTER A: DEFINITIONS

§113.1. Definitions.

#### SUBCHAPTER B: NATIONAL EMISSION STANDARDS FOR HAZARDOUS AIR POLLUTANTS (FCCA, §112, 40 CFR Part 61)

##### DIVISION 1: RADIONUCLIDE NESHAPS

§113.55. Radon Emissions from Phosphogypsum Stacks (40 CFR 61, Subpart R).

#### SUBCHAPTER C: NATIONAL EMISSION STANDARDS FOR HAZARDOUS AIR POLLUTANTS FOR SOURCE CATEGORIES (FCAA, §112, 40 CFR Part 63)

- §113.100. General Provisions (40 Code of Federal Regulations Part 63, Subpart A).
- §113.105. Requirements for Control Technology Determinations for Major Sources in Accordance with Clean Air Act, §112(j) (40 Code of Federal Regulations Part 63, Subpart B, §§63.50 - 63.56).
- §113.106. List of Hazardous Air Pollutants, Petitions Process, Lesser Quantity Designations, Source Category List (40 Code of Federal Regulations Part 63, Subpart C).
- §113.110. Synthetic Organic Chemical Manufacturing Industry (40 Code of Federal Regulations Part 63, Subpart F).
- §113.120. Synthetic Organic Chemical Manufacturing Industry for Process Vents, Storage Vessels, Transfer Operations, and Wastewater (40 Code of Federal Regulations Part 63, Subpart G).
- §113.130. Organic Hazardous Air Pollutants for Equipment Leaks (40 Code of Federal Regulations Part 63, Subpart H).
- §113.140. Certain Processes Subject to the Negotiated Regulation for Equipment Leaks (40 Code of Federal Regulations Part 63, Subpart I).
- §113.150. Polyvinyl Chloride and Copolymers Production (40 CFR 63, Subpart J).
- §113.170. Coke Oven Batteries (40 Code of Federal Regulations Part 63, Subpart L).
- §113.180. Perchloroethylene Dry Cleaning Facilities (40 Code of Federal Regulations Part 63, Subpart M).
- §113.190. Chromium Emissions from Hard and Decorative Chromium Electroplating and Chromium Anodizing Tanks (40 Code of Federal Regulations Part 63, Subpart N).
- §113.200. Ethylene Oxide Emissions Standards for Sterilization Facilities (40 Code of Federal Regulations Part 63, Subpart O).
- §113.220. Industrial Process Cooling Towers (40 Code of Federal Regulations Part 63, Subpart Q).
- §113.230. Gasoline Distribution Facilities (40 Code of Federal Regulations Part 63, Subpart R).
- §113.240. Pulp and Paper Industry (40 Code of Federal Regulations Part 63, Subpart S).

- §113.250. Halogenated Solvent Cleaning (40 Code of Federal Regulations Part 63, Subpart T).
- §113.260. Group I Polymers and Resins (40 Code of Federal Regulations Part 63, Subpart U).
- §113.280. Epoxy Resins Production and Non-Nylon Polyamides Production (40 Code of Federal Regulations Part 63, Subpart W).
- §113.290. Secondary Lead Smelting (40 Code of Federal Regulations Part 63, Subpart X).
- §113.300. Marine Vessel Loading (40 Code of Federal Regulations Part 63, Subpart Y).
- §113.320. Phosphoric Acid Manufacturing Plants (40 Code of Federal Regulations Part 63, Subpart AA).
- §113.330. Phosphate Fertilizers Production Plants (40 Code of Federal Regulations Part 63, Subpart BB).
- §113.340. Petroleum Refineries (40 Code of Federal Regulations Part 63, Subpart CC).
- §113.350. Off-Site Waste and Recovery Operations (40 Code of Federal Regulations Part 63, Subpart DD).
- §113.360. Magnetic Tape Manufacturing Operations (40 Code of Federal Regulations Part 63, Subpart EE).
- §113.380. Aerospace Manufacturing and Rework Facilities (40 Code of Federal Regulations Part 63, Subpart GG).
- §113.390. Oil and Natural Gas Production Facilities (40 Code of Federal Regulations Part 63, Subpart HH).
- §113.400. Shipbuilding and Ship Repair (Surface Coating) (40 Code of Federal Regulations Part 63, Subpart II).
- §113.410. Wood Furniture Manufacturing Operations (40 Code of Federal Regulations Part 63, Subpart JJ).
- §113.420. Printing and Publishing (40 Code of Federal Regulations Part 63, Subpart KK).
- §113.430. Primary Aluminum Reduction Plants (40 Code of Federal Regulations Part 63, Subpart LL).
- §113.440. Chemical Recovery Combustion Sources at Kraft, Soda, Sulfite, and Stand-Alone Semicemical Pulp Mills (40 Code of Federal Regulations Part 63, Subpart MM).
- §113.460. Tanks - Level 1 (40 Code of Federal Regulations Part 63, Subpart OO).
- §113.470. Containers (40 Code of Federal Regulations Part 63, Subpart PP).
- §113.480. Surface Impoundments (40 Code of Federal Regulations Part 63, Subpart QQ).
- §113.490. Individual Drain Systems (40 Code of Federal Regulations Part 63, Subpart RR).
- §113.500. Closed Vent Systems, Control Devices, Recovery Devices, and Routing to a Fuel Gas System or a Process (40 CFR 63, Subpart SS).
- §113.510. Equipment Leaks - Control Level 1 (40 CFR 63, Subpart TT).
- §113.520. Equipment Leaks - Control Level 2 (40 CFR 63, Subpart UU).
- §113.530. Oil-Water Separators and Organic-Water Separators (40 Code of Federal Regulations Part 63, Subpart VV).
- §113.540. Storage Vessels (Tanks) - Control Level 2 (40 CFR 63, Subpart WW).
- §113.550. Ethylene Manufacturing Process Units: Heat Exchange Systems and Waste Operations (40 Code of Federal Regulations Part 63, Subpart XX).
- §113.560. Generic Maximum Achievable Control Technology Standards (40 Code of Federal Regulations Part 63, Subpart YY).
- §113.600. Steel Pickling - HCl Process Facilities and Hydrochloric Acid Regeneration Plants (40 Code of Federal Regulations Part 63, Subpart CCC).
- §113.610. Mineral Wool Production (40 Code of Federal Regulations Part 63, Subpart DDD).
- §113.620. Hazardous Waste Combustors (40 Code of Federal Regulations Part 63, Subpart EEE).
- §113.640. Pharmaceuticals Production (40 Code of Federal Regulations Part 63, Subpart GGG).
- §113.650. Natural Gas Transmission and Storage Facilities (40 Code of Federal Regulations Part 63, Subpart HHH).
- §113.660. Flexible Polyurethane Foam Production (40 Code of Federal Regulations Part 63, Subpart III).
- §113.670. Group IV Polymers and Resins (40 Code of Federal Regulations Part 63, Subpart JJJ).

- §113.690. Portland Cement Manufacturing Industry (40 Code of Federal Regulations Part 63, LLL).
- §113.700. Pesticide Active Ingredient Production (40 Code of Federal Regulations Part 63, Subpart MMM).
- §113.710. Wool Fiberglass Manufacturing (40 Code of Federal Regulations Part 63, Subpart NNN).
- §113.720. Manufacture of Amino/Phenolic Resins (40 Code of Federal Regulations Part 63, Subpart OOO).
- §113.730. Polyether Polyols Production (40 Code of Federal Regulations Part 63, Subpart PPP).
- §113.740. Primary Copper Smelting (40 Code of Federal Regulations Part 63, Subpart QQQ).
- §113.750. Secondary Aluminum Production (40 Code of Federal Regulations Part 63, Subpart RRR).
- §113.770. Primary Lead Smelting (40 Code of Federal Regulations Part 63, Subpart TTT).
- §113.780. Petroleum Refineries: Catalytic Cracking Units, Catalytic Reforming Units, and Sulfur Recovery Units (40 Code of Federal Regulations Part 63, Subpart UUU).
- §113.790. Publicly Owned Treatment Works (40 Code of Federal Regulations Part 63, Subpart VVV).
- §113.810. Ferroalloys Production: Ferromanganese and Silicomanganese (40 Code of Federal Regulations Part 63, Subpart XXX).
- §113.840. Municipal Solid Waste Landfills (40 Code of Federal Regulations Part 63, Subpart AAAA).
- §113.860. Manufacturing of Nutritional Yeast (40 CFR 63, Subpart CCCC).
- §113.870. Plywood and Composite Wood Products (40 Code of Federal Regulations Part 63, Subpart DDDD).
- §113.880. Organic Liquids Distribution (Non-Gasoline) (40 Code of Federal Regulations Part 63, Subpart EEEE).
- §113.890. Miscellaneous Organic Chemical Manufacturing (40 Code of Federal Regulations Part 63, Subpart FFFF).
- §113.900. Solvent Extraction for Vegetable Oil Production (40 Code of Federal Regulations Part 63, Subpart GGGG).
- §113.910. Wet-Formed Fiberglass Mat Production (40 Code of Federal Regulations Part 63, Subpart HHHH).
- §113.920. Surface Coating of Automobiles and Light-Duty Trucks (40 Code of Federal Regulations Part 63, Subpart IIII).
- §113.930. Paper and Other Web Coating (40 Code of Federal Regulations Part 63, Subpart JJJJ).
- §113.940. Surface Coating of Metal Cans (40 Code of Federal Regulations Part 63, Subpart KKKK).
- §113.960. Surface Coating of Miscellaneous Metal Parts and Products (40 Code of Federal Regulations Part 63, Subpart MMMM).
- §113.970. Surface Coating of Large Appliances (40 Code of Federal Regulations Part 63, Subpart NNNN).
- §113.980. Printing, Coating, and Dyeing of Fabrics and Other Textiles (40 Code of Federal Regulations Part 63, Subpart OOOO).
- §113.990. Surface Coating of Plastic Parts and Products (40 Code of Federal Regulations Part 63, Subpart PPPP).
- §113.1000. Surface Coating of Wood Building Products (40 Code of Federal Regulations Part 63, Subpart QQQQ).
- §113.1010. Surface Coating of Metal Furniture (40 Code of Federal Regulations Part 63, Subpart RRRR).
- §113.1020. Surface Coating of Metal Coil (40 CFR 63, Subpart SSSS).
- §113.1030. Leather Finishing Operations (40 Code of Federal Regulations Part 63, Subpart TTTT).
- §113.1040. Cellulose Products Manufacturing (40 Code of Federal Regulations Part 63, Subpart UUUU).
- §113.1050. Boat Manufacturing (40 CFR 63, Subpart VVVV).
- §113.1060. Reinforced Plastic Composites Production (40 Code of Federal Regulations Part 63, Subpart WWWW).

- §113.1070. Rubber Tire Manufacturing (40 Code of Federal Regulations Part 63, Subpart XXXX).
- §113.1080. Stationary Combustion Turbines (40 Code of Federal Regulations Part 63, Subpart YYYY).
- §113.1090. Stationary Reciprocating Internal Combustion Engines (40 Code of Federal Regulations Part 63, Subpart ZZZZ).
- §113.1100. Lime Manufacturing Plants (40 Code of Federal Regulations Part 63, Subpart AAAAA).
- §113.1110. Semiconductor Manufacturing (40 Code of Federal Regulations Part 63, Subpart BBBB).
- §113.1120. Coke Ovens: Pushing, Quenching, and Battery Stacks (40 Code of Federal Regulations Part 63, Subpart CCCC).
- §113.1140. Iron and Steel Foundries (40 Code of Federal Regulations Part 63, Subpart EEEEE).
- §113.1150. Integrated Iron and Steel Manufacturing Facilities (40 Code of Federal Regulations Part 63, Subpart FFFFF).
- §113.1160. Site Remediation (40 Code of Federal Regulations Part 63, Subpart GGGG).
- §113.1170. Miscellaneous Coating Manufacturing (40 Code of Federal Regulations Part 63, Subpart HHHH).
- §113.1180. Mercury Emissions from Mercury Cell Chlor-Alkali Plants (40 Code of Federal Regulations Part 63, Subpart IIII).
- §113.1190. Brick and Structural Clay Products Manufacturing (40 Code of Federal Regulations Part 63, Subpart JJJJ).
- §113.1200. Clay Ceramics Manufacturing (40 Code of Federal Regulations Part 63, Subpart KKKK).
- §113.1210. Asphalt Processing and Asphalt Roofing Manufacturing (40 Code of Federal Regulations Part 63, Subpart LLLL).
- §113.1220. Flexible Polyurethane Foam Fabrication Operations (40 Code of Federal Regulations Part 63, Subpart MMMM).
- §113.1230. Hydrochloric Acid Production (40 Code of Federal Regulations Part 63, Subpart NNNN).
- §113.1250. Engine Test Cells/Standards (40 Code of Federal Regulations Part 63, Subpart PPPP).
- §113.1260. Friction Materials Manufacturing Facilities (40 Code of Federal Regulations Part 63, Subpart QQQQ).
- §113.1270. Taconite Iron Ore Processing (40 Code of Federal Regulations Part 63, Subpart RRRR).
- §113.1280. Refractory Products Manufacturing (40 Code of Federal Regulations Part 63, Subpart SSSS).
- §113.1290. Primary Magnesium Refining (40 Code of Federal Regulations Part 63, Subpart TTTT).
- §113.1390. Polyvinyl Chloride and Copolymers Production Area Sources (40 Code of Federal Regulations Part 63, Subpart DDDDD).
- §113.1400. Primary Copper Smelting Area Sources (40 Code of Federal Regulations Part 63, Subpart EEEEE).
- §113.1410. Secondary Copper Smelting Area Sources (40 Code of Federal Regulations Part 63, Subpart FFFFF).
- §113.1420. Primary Nonferrous Metals Area Sources – Zinc, Cadmium, and Beryllium (40 Code of Federal Regulations Part 63, Subpart GGGGG).

## SUBCHAPTER D: DESIGNATED FACILITIES AND POLLUTANTS

### DIVISION 1: MUNICIPAL SOLID WASTE LANDFILLS

- §113.2060. Definitions.
- §113.2061. Standards for Air Emissions.
- §113.2067. Exemptions.
- §113.2069. Compliance Schedule.

## DIVISION 2: HOSPITAL/MEDICAL/INFECTIOUS WASTE INCINERATORS

- §113.2070. Definitions.
- §113.2071. Designated Facilities.
- §113.2072. Emission Limits.
- §113.2074. Inspection Requirements.
- §113.2075. Compliance and Performance Testing Requirements.
- §113.2076. Monitoring, Reporting, and Recordkeeping Requirements.
- §113.2077. Waste Management Plan.
- §113.2078. Operating Procedures and Operator Training/Qualification Requirements.
- §113.2079. Compliance Schedules.

## DIVISION 3: EMISSION GUIDELINES AND COMPLIANCE TIMES FOR SMALL MUNICIPAL WASTE COMBUSTION UNITS CONSTRUCTED ON OR BEFORE AUGUST 30, 1999

- §113.2100. Definitions.
- §113.2101. What are my requirements for meeting increments of progress and achieving final compliance?
- §113.2102. When must I complete each increment of progress?
- §113.2103. What must I include in the notifications of achievement of my increments of progress?
- §113.2104. When must I submit the notifications of achievement of increments of progress?
- §113.2105. What if I do not meet an increment of progress?
- §113.2106. How do I comply with the increment of progress for submittal of a control plan?
- §113.2107. How do I comply with the increment of progress for awarding contracts?
- §113.2108. How do I comply with the increment of progress for initiating onsite construction?
- §113.2109. How do I comply with the increment of progress for completing onsite construction?
- §113.2110. How do I comply with the increment of progress for achieving final compliance?
- §113.2111. What must I do if I close my municipal waste combustion unit and then restart my municipal waste combustion unit?
- §113.2112. What must I do if I plan to permanently close my municipal waste combustion unit and not restart it?
- §113.2113. What types of training must I do?
- §113.2114. Who must complete the operator training course? By when?
- §113.2115. Who must complete the plant-specific training course?
- §113.2116. What plant-specific training must I provide?
- §113.2117. What information must I include in the plant-specific operating manual?
- §113.2118. Where must I keep the plant-specific operating manual?
- §113.2119. What types of operator certification must the chief facility operator and shift supervisor obtain and by when must they obtain it?
- §113.2120. After the required date for operator certification, who may operate the municipal waste combustion unit?
- §113.2121. What if all the certified operators must be temporarily offsite?
- §113.2122. What are the operating practice requirements for my municipal waste combustion unit?
- §113.2123. What happens to the operating requirements during periods of startup, shutdown, and malfunction?
- §113.2124. What pollutants are regulated by this division?
- §113.2125. What emission limits must I meet? By when?
- §113.2126. What happens to the emission limits during periods of startup, shutdown, and malfunction?

- §113.2127. What types of continuous emission monitoring must I perform?
- §113.2128. What continuous emission monitoring systems must I install for gaseous pollutants?
- §113.2129. How are the data from the continuous emission monitoring systems used?
- §113.2130. How do I make sure my continuous emission monitoring systems are operating correctly?
- §113.2131. Am I exempt from any 40 Code of Federal Regulations Part 60, Appendix B or Appendix F requirements to evaluate continuous emission monitoring systems?
- §113.2132. What is my schedule for evaluating continuous emission monitoring systems?
- §113.2133. What must I do if I choose to monitor carbon dioxide instead of oxygen as a diluent gas?
- §113.2134. What is the minimum amount of monitoring data I must collect with my continuous emission monitoring systems and is the data collection requirement enforceable?
- §113.2135. How do I convert my 1-hour arithmetic averages into appropriate averaging times and units?
- §113.2136. What is required for my continuous opacity monitoring system and how are the data used?
- §113.2137. What additional requirements must I meet for the operation of my continuous emission monitoring systems and continuous opacity monitoring system?
- §113.2138. What must I do if any of my continuous emission monitoring systems are temporarily unavailable to meet the data collection requirements?
- §113.2139. What types of stack tests must I conduct?
- §113.2140. How are the stack test data used?
- §113.2141. What schedule must I follow for the stack testing?
- §113.2142. What test methods must I use to stack test?
- §113.2143. May I conduct stack testing less often?
- §113.2144. May I deviate from the 13-month testing schedule if unforeseen circumstances arise?
- §113.2145. Must I meet other requirements for continuous monitoring?
- §113.2146. How do I monitor the load of my municipal waste combustion unit?
- §113.2147. How do I monitor the temperature of flue gases at the inlet of my particulate matter control device?
- §113.2148. How do I monitor the injection rate of activated carbon?
- §113.2149. What is the minimum amount of monitoring data I must collect with my continuous parameter monitoring systems and is the data collection requirement enforceable?
- §113.2150. What records must I keep?
- §113.2151. Where must I keep my records and for how long?
- §113.2152. What records must I keep for operator training and certification?
- §113.2153. What records must I keep for stack tests?
- §113.2154. What records must I keep for continuously monitored pollutants or parameters?
- §113.2155. What records must I keep for municipal waste combustion units that use activated carbon?
- §113.2156. What reports must I submit and in what form?
- §113.2157. What are the appropriate units of measurement for reporting my data?
- §113.2158. When must I submit the initial report?
- §113.2159. What must I include in my initial report?
- §113.2160. When must I submit the annual report?
- §113.2161. What must I include in my annual report?
- §113.2162. What must I do if I am out of compliance with the requirements of this division?
- §113.2163. If a semiannual report is required, when must I submit it?
- §113.2164. What must I include in the semiannual out-of-compliance reports?
- §113.2165. Can reporting dates be changed?
- §113.2166. What is an air curtain incinerator?
- §113.2167. What is yard waste?
- §113.2168. What are the emission limits for air curtain incinerators that burn 100 percent yard waste?
- §113.2169. How must I monitor opacity for air curtain incinerators that burn 100 percent yard waste?

- §113.2170. What are the recordkeeping and reporting requirements for air curtain incinerators that burn 100 percent yard waste?
- §113.2171. What equations must I use?
- §113.2172. Does this subpart require me to obtain an operating permit under Title V of the Federal Clean Air Act?
- §113.2173. When must I submit a Title V permit application for my existing small municipal waste combustion unit?
- §113.2174. Tables Relating to Division 3.

**DIVISION 4: EMISSIONS GUIDELINES AND COMPLIANCE TIMES FOR COMMERCIAL AND INDUSTRIAL SOLID WASTE INCINERATION UNITS THAT COMMENCED CONSTRUCTION ON OR BEFORE NOVEMBER 30, 1999**

- §113.2200. Definitions.
- §113.2201. What are my requirements for meeting increments of progress and achieving final compliance?
- §113.2202. When must I complete each increment of progress?
- §113.2203. What must I include in the notifications of achievement of increments of progress?
- §113.2204. When must I submit the notifications of achievement of increments of progress?
- §113.2205. What if I do not meet an increment of progress?
- §113.2206. How do I comply with the increment of progress for submittal of a control plan?
- §113.2207. How do I comply with the increment of progress for achieving final compliance?
- §113.2208. What must I do if I close my commercial and industrial solid waste incineration unit and then restart it?
- §113.2209. What must I do if I plan to permanently close my commercial and industrial solid waste incineration unit and not restart it?
- §113.2210. What is a waste management plan?
- §113.2211. When must I submit my waste management plan?
- §113.2212. What should I include in my waste management plan?
- §113.2213. What are the operator training and qualification requirements?
- §113.2214. When must the operator training course be completed?
- §113.2215. How do I obtain my operator qualification?
- §113.2216. How do I maintain my operator qualification?
- §113.2217. How do I renew my lapsed operator qualification?
- §113.2218. What site-specific documentation is required?
- §113.2219. What if all the qualified operators are temporarily not accessible?
- §113.2220. What emission limitations must I meet and by when?
- §113.2221. What operating limits must I meet and by when?
- §113.2222. What if I do not use a wet scrubber to comply with the emission limitations?
- §113.2223. What happens during periods of startup, shutdown, and malfunction?
- §113.2224. How do I conduct the initial and annual performance test?
- §113.2225. How are the performance test data used?
- §113.2226. How do I demonstrate initial compliance with the emission limitations and establish the operating limits?
- §113.2227. By what date must I conduct the initial performance test?
- §113.2228. How do I demonstrate continuous compliance with the emission limitations and the operating limits?
- §113.2229. By what date must I conduct the annual performance test?
- §113.2230. May I conduct performance testing less often?

- §113.2231. May I conduct a repeat performance test to establish new operating limits?
- §113.2232. What monitoring equipment must I install and what parameters must I monitor?
- §113.2233. Is there a minimum amount of monitoring data I must obtain?
- §113.2234. What records must I keep?
- §113.2235. Where and in what format must I keep my records?
- §113.2236. What reports must I submit?
- §113.2237. When must I submit my waste management plan?
- §113.2238. What information must I submit following my initial performance test?
- §113.2239. When must I submit my annual report?
- §113.2240. What information must I include in my annual report?
- §113.2241. What else must I report if I have a deviation from the operating limits or the emission limitations?
- §113.2242. What must I include in the deviation report?
- §113.2243. What else must I report if I have a deviation from the requirement to have a qualified operator accessible?
- §113.2244. Are there any other notifications or reports that I must submit?
- §113.2245. In what form can I submit my reports?
- §113.2246. Can reporting dates be changed?
- §113.2247. Am I required to apply for and obtain a Title V operating permit for my unit?
- §113.2248. What is an air curtain incinerator?
- §113.2249. What are my requirements for meeting increments of progress and achieving final compliance?
- §113.2250. When must I complete each increment of progress?
- §113.2251. What must I include in the notifications of achievement of increments of progress?
- §113.2252. When must I submit the notifications of achievement of increments of progress?
- §113.2253. What if I do not meet an increment of progress?
- §113.2254. How do I comply with the increment of progress for submittal of a control plan?
- §113.2255. How do I comply with the increment of progress for achieving final compliance?
- §113.2256. What must I do if I close my air curtain incinerator and then restart it?
- §113.2257. What must I do if I plan to permanently close my air curtain incinerator and not restart it?
- §113.2258. What are the emission limitations for air curtain incinerators?
- §113.2259. How must I monitor opacity for air curtain incinerators?
- §113.2260. What are the recordkeeping and reporting requirements for air curtain incinerators?
- §113.2261. Tables Relating to Division 4.

DIVISION 5: EMISSION GUIDELINES AND COMPLIANCE TIMES FOR OTHER SOLID WASTE  
INCINERATION UNITS THAT COMMENCED CONSTRUCTION ON OR BEFORE  
DECEMBER 9, 2004

- §113.2300. Definitions.
- §113.2301. When must I comply?
- §113.2302. What must I do if I close my other solid waste incineration unit and then restart it?
- §113.2303. What must I do if I plan to permanently close my other solid waste incineration unit and not restart it?
- §113.2304. What is a waste management plan?
- §113.2305. When must I submit my waste management plan?
- §113.2306. What should I include in my waste management plan?
- §113.2307. What are the operator training and qualification requirements?
- §113.2308. When must the operator training course be completed?

- §113.2309. How do I obtain my operator qualification?
- §113.2310. How do I maintain my operator qualification?
- §113.2311. How do I renew my lapsed operator qualification?
- §113.2312. What site-specific documentation is required?
- §113.2313. What if all the qualified operators are temporarily not accessible?
- §113.2314. What emission limitations must I meet and by when?
- §113.2315. What operating limits must I meet and by when?
- §113.2316. What if I do not use a wet scrubber to comply with the emission limitations?
- §113.2317. What happens during periods of startup, shutdown, and malfunction?
- §113.2318. How do I conduct the initial and annual performance test?
- §113.2319. How are the performance test data used?
- §113.2320. How do I demonstrate initial compliance with the emission limitations and establish the operating limits?
- §113.2321. By what date must I conduct the initial performance test?
- §113.2322. How do I demonstrate continuous compliance with the emission limitations and the operating limits?
- §113.2323. By what date must I conduct the annual performance test?
- §113.2324. May I conduct performance testing less often?
- §113.2325. May I conduct a repeat performance test to establish new operating limits?
- §113.2326. What continuous emission monitoring systems must I install?
- §113.2327. How do I make sure my continuous emission monitoring systems are operating correctly?
- §113.2328. What is my schedule for evaluating continuous emission monitoring systems?
- §113.2329. What is the minimum amount of monitoring data I must collect with my continuous emission monitoring systems, and is the data collection requirement enforceable?
- §113.2330. How do I convert my 1-hour arithmetic averages into the appropriate averaging times and units?
- §113.2331. What operating parameter monitoring equipment must I install, and what operating parameters must I monitor?
- §113.2332. Is there a minimum amount of operating parameter monitoring data I must obtain?
- §113.2333. What records must I keep?
- §113.2334. Where and in what format must I keep my records?
- §113.2335. What reports must I submit?
- §113.2336. What information must I submit following my initial performance test?
- §113.2337. When must I submit my annual report?
- §113.2338. What information must I include in my annual report?
- §113.2339. What else must I report if I have a deviation from the operating limits or the emission limitations?
- §113.2340. What must I include in the deviation report?
- §113.2341. What else must I report if I have a deviation from the requirement to have a qualified operator accessible?
- §113.2342. Are there any other notifications or reports that I must submit?
- §113.2343. In what form can I submit my reports?
- §113.2344. Can reporting dates be changed?
- §113.2345. Am I required to apply for and obtain a Title V operating permit for my unit?
- §113.2346. When must I submit a Title V permit application for my existing unit?
- §113.2347. What are the requirements for temporary-use incinerators and air curtain incinerators used in disaster recovery?
- §113.2348. What is an air curtain incinerator?
- §113.2349. When must I comply if my air curtain incinerator burns only wood waste, clean lumber, and

- yard waste?
- §113.2350. What must I do if I close my air curtain incinerator that burns only wood waste, clean lumber, and yard waste and then restart it?
- §113.2351. What must I do if I plan to permanently close my air curtain incinerator that burns only wood waste, clean lumber, and yard waste and not restart it?
- §113.2352. What are the emission limitations for air curtain incinerators that burn only wood waste, clean lumber, and yard waste?
- §113.2353. How must I monitor opacity for air curtain incinerators that burn only wood waste, clean lumber, and yard waste?
- §113.2354. What are the recordkeeping and reporting requirements for air curtain incinerators that burn only wood waste, clean lumber, and yard waste?
- §113.2355. Am I required to apply for and obtain a Title V operating permit for my air curtain incinerator that burns only wood waste, clean lumber, and yard waste?
- §113.2356. What equations must I use?
- §113.2357. Tables Relating to Division 5.

SUBCHAPTER E: CONSOLIDATED FEDERAL AIR RULES (CAR):  
SYNTHETIC ORGANIC CHEMICAL MANUFACTURING INDUSTRY (SOCMI)  
{FCAA, §112, 40 CFR PART 65}

- §113.3000. General Provisions (40 CFR Part 65, Subpart A).
- §113.3020. Storage Vessels (40 CFR Part 65, Subpart C).
- §113.3030. Process Vents (40 CFR Part 65, Subpart D).
- §113.3040. Transfer Racks (40 CFR Part 65, Subpart E).
- §113.3050. Equipment Leaks (40 CFR Part 65, Subpart F).
- §113.3060. Closed Vent Systems, Control Devices, and Routing to a Fuel Gas System or a Process (40 CFR Part 65, Subpart G).
