

**Effective: December 8, 2016**

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY  
Permanent Rule Change

Rule Project No. 2015-030-011-AD  
SB 20: Enhanced Contract Monitoring

Chapter 11  
Contracts

Subchapter E

1. Purpose. This change transmittal provides the pages that reflect changes and additions to the Texas Commission on Environmental Quality (commission) Volume of Permanent Rules.
2. Explanation of Change. On November 16, 2016, the commission adopted new §11.202. Section 11.202 was adopted *without change* to the proposed text as published in the August 19, 2016, issue of the *Texas Register* (41 TexReg 6158) and, therefore, was not republished.
3. Effect of Changes. The adopted rulemaking implements Senate Bill 20, 84th Texas Legislature, 2015, that added Texas Government Code, §2261.253(c), which requires state agencies to establish by rule a procedure to identify each contract that requires enhanced contract or performance monitoring, and submit information to the agencies' governing bodies. Accordingly, the commission adopted this rulemaking to add a new section regarding contracts.
