

**SUBCHAPTER P: EFFLUENT GUIDELINES AND STANDARDS FOR TEXAS  
POLLUTANT DISCHARGE ELIMINATION SYSTEM (TPDES) PERMITS**

**§305.541**

**Effective February 26, 2015**

**§305.541. Effluent Guidelines and Standards for Texas Pollutant Discharge  
Elimination System Permits.**

Except to the extent that they are less stringent than the Texas Water Code or the rules of the commission, 40 Code of Federal Regulations (CFR), Subchapter N, Parts 400 - 471, except 40 CFR Part 403, which are in effect as of the date of the Texas Pollutant Discharge Elimination System program authorization, as amended, and 40 CFR Parts 437 (*Federal Register*, Volume 65, December 22, 2000), 442 (*Federal Register*, Volume 65, August 14, 2000), 444 (*Federal Register*, Volume 65, January 27, 2000), 445 (*Federal Register*, Volume 65, January 19, 2000), 449 (*Federal Register*, Volume 77, May 16, 2012), and 450 (*Federal Register*, Volume 79, March 6, 2014), as amended, are adopted by reference.

Adopted February 4, 2015

Effective February 26, 2015
