

Directions: From IH 35, northbound and southbound, take Exit 330, Meridian. You will want to be on State Hwy 6 North going west towards Meridian. Take the Sanger Ave. exit off of Hwy 6 and continue on the Frontage Rd., go under a bridge and immediately take a right onto Sanger Ave. When the road curves right, look and turn left into the parking lot of the Executive Plaza. There is a covered breezeway across the front of the building. Go to the left end of that breezeway and enter the glass doors, go up the stairs and through the wooded door. We are Suite 2500.
