Re: Objection to Federal Part 70 Operating Permit No. O2276  
ExxonMobil Corporation, Linear Low Density Polyethylene Plant  
Chambers County, Texas

Dear Mr. Hyde:

We recently sent a letter objecting to the issuance of a Federal Operating Permit (FOP) for the ExxonMobil Corporation, Linear Low Density Polyethylene Plant. In error we indicated that the facility permit number was O2690. The correct permit number is O2276.

If you have questions or wish to discuss this further, please contact me at 214-665-6435, or Stephanie Kordzi, Texas Permit Coordinator at (214) 665-7520. Thank you for your cooperation.

Sincerely yours,
