

AIR DISPERSION MODELING CONSULTANTS

Revised 2/17/12

The following firms have made it known to us that they are in the business of consulting on Texas Commission on Environmental Quality (TCEQ) permit applications. Inclusion or non-inclusion on this list does not constitute approval or disapproval by the Air Permits Division or by the TCEQ, nor does it infer relative competence. The list is compiled and maintained by notification only. No attempt is made to categorize firms according to various capabilities, to follow-up on current addresses and phone numbers, or existence. The list is updated occasionally, and current copies will be supplied upon request.
