

Biography: Brian J. Christian

**Small Business and Environmental Assistance Division
Texas Commission on Environmental Quality**

Current Position

Brian has been the Director of the Small Business and Environmental Assistance Division for the Texas Commission on Environmental Quality (TCEQ) since November 2008. He also serves as the Small Business Ombudsman for the TCEQ.

Prior Experience and Education

Brian joined the TCEQ in 1994 and has served in a variety of capacities, including manager of the Small Business Assistance Program mandated by the Federal Clean Air Act; executive assistant to the Chairman and Commissioners of the TCEQ; legislative affairs specialist focusing on issues relating to the State Implementation Plan, air permitting, public participation, and waste management; and program administrator for alternative fuels and mobile source programs. He has served the state of Texas for almost 25 years.
