

# Self-Certification Information in Integrated Web Reporting (IWR)

Step 1: From the [PST Registration Database webpage](#), click on the "IWR(Integrated web reporting)" link.

The screenshot shows a web browser window displaying the TCEQ website. The address bar shows the URL: <http://www.tceq.texas.gov/permitting/registration/pst/>. The page header includes the TCEQ logo and navigation links: Home | AIR | LAND | WATER | Public | Businesses | Governments. The main content area is titled "PST Registration Database" and contains the following text:

**PST Registration Database**

The PST Registration database will only have historical information for finding out whether a facility with petroleum storage tanks is registered with the TCEQ and its PST system technical information. The last update of the PST Registration Database happened the night of 4-11-2013. See link below to be connected with IWR (Integrated web reporting) for searching current PST data and delivery certificates.

Please click [IWR \(Integrated web reporting\)](#) for searching current PST data. Click on Document Search tab on the top row of IWR page for current delivery and registration certificates.

Raw data text files containing datasets from the historical TRACS PST Registration Database are available for free. The data is listed under 12.0 and the specs on the data fields can be found in the associated read-me file.

**The following information is available for registered PST facilities:**

- Facility - location, type, manager
- Owner - address, type, contact and amendment  
In addition if Owner is selected the following information will be presented if applicable and available.
  - Operator - address and contact
  - Facility self-certification and UST compartment self-certification
- Aboveground storage tank technical information
- Underground storage tank and compartment technical information

Select the type of query that best meets your needs.

- [Facility ID Number](#)
- [Owner Name](#)
- [Owner ID Number](#)
- [County](#)
- [Street and City](#)
- [Facility Name](#)
- [City](#)

Facility ID Number

The left sidebar contains a "Site Navigation" menu with links to various sections: Cleanups, Remediation; Emergency Response; Licensing; Permits, Registrations; Preventing Pollution; Recycling; Reporting; Rules; Data; Forms; Maps; Public Notices; Publications; Records; Webcasts; About Us; Contact Us; and a survey link: "How's our Customer Service? Please fill out our Customer Satisfaction Survey".

## Step 2. Select "ID Search" from the tabs at the top of the page.
