

Biography: Lindsay Garza
Water Quality Division
Texas Commission on Environmental Quality

Current Position

In September 2012, Lindsay joined the TCEQ as an Environmental Permit Specialist for the Stormwater and Pretreatment Team. She is responsible for various tasks including reviewing municipal annual reports, providing customer service, and drafting individual stormwater discharge permits under the Texas Pollutant Discharge Elimination System (TPDES).

Prior Experience and Education

Lindsay earned a BS in Environmental Science and Policy, with a concentration in Biology, from St. Edward's University in Austin, Texas. She is currently pursuing her MAG in Resources and Environmental Studies from Texas State University in San Marcos, Texas. As an intern with TCEQ, both through the Mickey Leland Program and Texas State's Graduate Partnership Program, Lindsay gained knowledge and experience in Texas law and policy, as well as TPDES permit processes and regulations.
