

Office Use Only
Assigned TXT2 Number:

Texas Commission on Environmental Quality
Texas Tier II Chemical Reporting
TXT2 Number Application

The TXT2 Number is an assigned number for companies filing Texas Tier Two Chemical Reports. You may use the same TXT2 Number for all your facilities as long as they are owned or operated under the same owner/operator.

Note: *If you already have a TXT2 Number from previous filing, please use that same TXT2 Number for future reporting years.*

Failure to completely fill out this form could result in delayed processing.
