

Aggregate Production Operations (APOs) Update (HB 571)

Registration:

Registration period for existing APOs is Sept 1 – Oct 30, 2012. Forms (both paper and epermits) will be available beginning Sept 1, 2012. We are encouraging the use of epermits by giving a 25% discount on the registration fees to those that use the epermits system. The link for the epermits system is <https://www6.tceq.texas.gov/steers/>.

Registration Fees:

The FY13 fees for paper applications are as follows:

0-10 Acres Disturbed: \$250.00
>10 Acres & <= 50 Acres Disturbed: \$450.00
>50 Acres & <= 100 Acres Disturbed: \$650.00
>100 Acres Disturbed: \$900.00

Compliance Assistance:

The Small Business and Environmental Assistance Program is working on creating a multi-media checklist for APOs to use in our Compliance Commitment (C2) program. For more information about our C2 program please visit our website at: <http://www.tceq.texas.gov/assistance/c2/site.html>.
