**Re: Temporary Docket No. 2016-0381-PET; Petition for Rulemaking by the City of Austin, Texas**

Dear Chief Clerk:

I am writing on behalf of Reunion Ranch Water Control and Improvement District (the "District") in support of the above-captioned Petition for Rulemaking. The District is in support of the TCEQ's initiating rulemaking to adopt new rules under 30 Texas Administrative Code Chapter 222 and 209 concerning the beneficial reuse of treated effluent.

I understand the Commissioners have directed the TCEQ Staff to institute this rulemaking. The District requests that it be added to the service list for this docket so it can participate and provide future comments on the proposed rules. I will be the District's attorney for this docket.

Thank you.

Very truly yours,

Bill Flickinger
