

TO: The Honorable Dale Spurgin, Chair  
Brazos River and Associated Bay and Estuary System  
Basin and Bay Area Stakeholder Committee

FROM: The BBASC Report Writing Subcommittee  
Tom Conry, Acting Chair

SUBJECT: Initial Report Writing Subcommittee Conference Call on March 20, 2012

DATE: March 21, 2012

Mr. Greg Easley, TCEQ, hosted a conference call of the Report Writing Subcommittee at 10:00 a.m. on March 20, 2012. Members participating were:

Mr. Ed Lowe                      Ms. Sue Campbell Williams  
Ms. Cindy Bartos              Mr. Eddie Saucedo  
Mr. Tom Conry  
Mr. Dan Loomis was unable to participate.

Since all subcommittee members had reviewed the BBEST report and several reports from other River and Bay Stakeholder Committees, a general approach to compiling the report is recommended:

- Several mandatory sections will be compiled at the earliest time, e.g. the Chair's report submittal letter, the Legislative Charge to the Committee.
- The BBEST recommendations will be evaluated and discussed. Those areas of agreement will be noted and a vote of support or opposition will be recorded in a chart format in the BBASC report.
- Any areas of disagreement will be noted and major issues pertaining to the area of disagreement included in the report.

A draft report outline is included in this initial subcommittee report for Committee review and comment. The draft outline is certain to change as the Committee completes its work.

Mr. Eddie Saucedo is hosting a "Dropbox" site for all subcommittee members to submit documents for review and edit. This should assist the report compilation.

The subcommittee recommends that Tom Conry be appointed subcommittee chair.

Respectfully Submitted,

Tom Conry  
Acting Chair
