## Public Notices

The Texas Natural Resource Conservation Commission (TNRCC) announces notice and availability of a regional solid waste management plan proposed by the Nortex Regional Planning Commission (NRPC) and a 30-day period for public comment on the plan.

Notice is hereby given that the document entitled, Solid Waste Management Plan-Nortex Regional Planning Commission, 1990 to 2020, is available for public review and comment. Regional solid waste management plans are required by the Texas Health and Safety Code, Chapter 363 (Comprehensive Municipal Solid Waste Management, Recovery, and Conservation Act, 1990) for each of the established regional planning agencies (COGs) in the state, which have been officially designated as solid waste management planning regions. The NRPC region includes the counties of Archer, Baylor, Clay, Cottle, Foard, Hardeman, Jack, Montague, Wichita, Wilbarger, and Young. The plan describes current solid waste management efforts in the region, assesses problems and needs, and provides recommendations for future action. The plan was developed with the input of a solid waste advisory committee composed of various public and private interests; meetings of this advisory committee were open to the general public. In addition, four public meetings concerning the plan were held in various locations in the region. A formal public hearing was conducted by NRPC, in accordance with guidelines of TNRCC. Immediately upon adoption by TNRCC, the plan will have rule status. Subchapter O of Municipal Solid Waste Regulations (§330.568) will be amended at a later date to include, by reference, all adopted regional solid waste management plans in the state.

The interested public is invited to submit written comments on the proposed regional plan to the Texas Natural Resources Conservation Commission. Written comments must be received by no later 30 days from the publication date of this notice. Please address comments to: Daniel J. Eden, Director, Waste Policy Division, Texas Natural Resource Conservation Commission, P.O. Box 13087, Austin, Texas 78711-3087.

Copies of the regional plan document are available for public review at the following two locations: Nortex Regional Planning Commission, Galaxy Center #1, North, 4309 Jacksboro Highway, Wichita Falls, Texas 76302, (817) 322-5281; and the Texas Natural Resource Conservation Commission, Environmental and Recycling, Information Center, 12015 Park 35 Circle, Building F, First Floor, Austin, Texas 78753, (512) 239-6944.

The Texas Natural Resource Conservation Commission will consider formal adoption of this regional plan at a regular agenda meeting, after the close of the comment period.

Issued in Austin, Texas, on January 19, 1994.

The Texas Natural Resource Conservation Commission (Commission) is required under the Texas Solid Waste Disposal Act, Texas Health and Safety Code, Chapter 361, as amended (the Act), to identify and assess facilities that may constitute an imminent and substantial endangerment to public health and safety or the environment due to a release or threatened release of hazardous substances into the environment. The first registry of such sites was published in the January 16, 1987, issue of the *Texas Register* (12 TexReg 205). The last registry was published in March 22, 1993, issue of the *Texas Register* (16 TexReg 7659). There have been two changes and two corrections in the registry since its last publication. Pursuant to <sup>TM</sup>361.181, the registry identifying those facilities that may constitute an imminent and substantial endangerment in Texas lists those facilities in relative priority of need of action as follows:

**Col-Tex Refinery, adjacent to Colorado City, Mitchell County: Oil refinery, tank farm and sludge pits;**

Houston Scrap, 3799 Jensen Drive, Houston, Harris County: Scrap metal and battery recycling;

Houston Lead, 300 Holmes Road, Houston, Harris County: Battery recycling;

State Marine, Yacht Club Road, Port Arthur, Jefferson County: Barge cleaning;

Precision Machine, 500 West Olive Street, Odessa, Ector County: Machine and chrome plating;

Sonics International, Inc., two miles west of Ranger on the north side of FM Road 101, Eastland County: Two hazardous waste injection wells;

Maintech International, 8300 Old Ferry Road, Port Arthur, Jefferson County: Chemical cleaning service;

Federated Metals, 9200 Market Street, Houston, Harris County: Metal smelting and reclamation plant;

Gulf Metals, northwest corner of the intersection of Mykawa and Alameda-Genoa, Houston, Harris County: Metal slag and organic waste disposal;

Wortham Lead Salvage, on the north side of HWY 175 approximately 2.5 miles southeast of Mabank, Henderson County: Battery recycling;

Texas American Oil, approximately three miles north of Midlothian on State Highway 67, Ellis County: Oil refining;

Niagara Chemical, 421 North C Street, Harlingen, Cameron County: Pesticide formulation plant;

International Creosoting, 1110 Pine Street, Beaumont, Jefferson County: Wood creosoting;

McBay Oil and Gas, three miles northwest of Grapeland on FM 1272, Houston County: Waste oil recycling and refinery;

Aztec Mercury, 401 Callaway Drive, Alvin, Brazoria County: Mercury recycling;

Solvent Recovery Services, 5502 Highway 521 approximately 0.2 mile south of Highway 521 and Highway 6, Arcola, Fort Bend County: Solvent Recovery;

Harris Sand Pits, 23340 South Highway 16, 10.5 miles south of San Antonio city limits, Bexar County: Industrial waste disposal;

Butler Ranch, 11.8 miles west of Falls City on FM 791, Karnes County: Industrial waste disposal;

Pip Minerals, 3303 1/2 Beaumont Avenue, Liberty, Liberty County: Chromium, ignitable wastes, and drilling chemicals;

Hayes-Sammons Warehouse, East 8th Street and Moller Avenue, Mission, Hidalgo County: Pesticide storage;

Baldwin Waste Oil Company, on County Road 44 approximately 0.1 mile west of Highway 77, Robstown, Nueces County: Waste oil recycling.

Waste Oil Tank Service, 2010 Hartwick Road off Highway 59 North, Houston, Harris County: Waste oil recycling;

Hall Street, north of intersection of California Street and 20th Street East, north of Dickinson, Galveston County: Industrial waste disposal;

Unnamed Plating Site, 6816-6824 Industrial Boulevard, El Paso, El Paso County: Metal plating waste ponds;

La Pata Oil/S.W. Oil, 1403 Ennis Street, Houston, Harris County: Waste oil recycling;

Munoz Borrow Pits, 0.1 mile south of Highway 83 on FM 1016, Mission, Hidalgo County: Pesticide contaminated fill area;

South Texas Solvents, approximately four miles south of Banquete at the intersection of FM 666 and County Road 32, Nueces County: Solvent recycling and oil refinery;

Bestplate, 1095 South I-45, south of Hutchins, Dallas County: Chromium plating.

Pursuant to §361.184(a) those facilities which have been determined to be eligible and have been proposed for listing on the State Superfund Registry are listed in relative priority of need of action as follows:

Double R Plating Company, on CR 3544 north of Hwy 96 three miles west of Queen City, Cass County: Zinc and chromium plating;

Pioneer Oil & Refining Company, adjacent to 20280 South Payne Road, outside of Somerset, Bexar County: Oil refinery;

Higgins Wood Preserving, intersection of Paul Avenue and Warren Street, Lufkin, Angelina County: Wood creosoting;

Marshall Wood Preserving, 2700 West Houston Street, Marshall, Harrison County: Wood creosoting;

Thompson-Hayward Chemical, on the east side of Hwy 277 between Eden and Houston Streets, Munday, Knox County: pesticide formulating;

Old Lufkin Creosoting, 1411 East Lufkin Avenue, Lufkin, Angelina County: Wood creosoting;

Hageron Road Drum, east of 1221 Hageron Road, DeWalt, Fort Bend County: Drummed industrial waste;

JCS Company, on County Road 2410 one and three quarter miles north of Highway 98 east of Phalba, Van Zandt County: Battery recycling.

Jerrell B. Thompson, on County Road 2410 one half mile north of Highway 109, east of Phalba, Van Zandt County: Battery recycling.

Jensen Drive Scrap, 3603 Jensen Drive, Houston, Harris County: Scrap salvage;

Permian Chemical, 1901 Pronto Road, southeast of Odessa, Ector County: Acid production;

Tricon America, Inc., 101 East Hampton Road, Crowley, Tarrant County: Industrial waste pile.

Interested parties may submit written responses to the Commission relative to any of the sites listed previously to the attention of Paul B. Cravens, P.E., Manager, Superfund Investigation Section, Pollution Cleanup Division, Texas Natural Resource Conservation Commission, P.O. Box 13087, Austin, Texas 78711-3087. The public records for each of the sites are available for inspection and copying during regular Commission business hours. Such information may be obtained by contacting Beth Wigham, Central Records Center, Texas Natural Resource Conservation Commission, P.O. Box 13087, Austin, Texas 78711-3087. Copying of file information is subject to payment of a fee.

## North Central Texas Council of Governments

### Request for Proposals

**Consultant Proposal Request.** This request by the North Central Texas Council of Governments (NCTCOG) for consultant services is filed under the provisions of Texas Civil Statutes, Article 6252-11c.

NCTCOG is requesting proposals to conduct a Service Analysis and Development Plan for the Fort Worth Transportation Authority (the T). The consultant will conduct a comprehensive review of the viability of each individual component of the current menu of T bus services (local, express, subscription) and identify a variety of options for more effectively and efficiently serving the existing and future transit markets. This review will critique the viability of the current "system" of fixed bus routes and schedules. However, the technical product will not result in new routing or schedules.

**Contract Award Procedures.** The firm selected to perform this study will be recommended by the Project Review Committee (PRC), composed of staff from NCTCOG and the T. The PRC will evaluate criteria and methodology consistent with the services outlined in the Request for Proposals. The NCTCOG Executive Board will review the PRC's recommendation and, if found acceptable, will issue an award of contract.

**Regulations.** NCTCOG, in accordance with Title VI of the Civil Rights Act of 1964, 78 Statute 252, 41 United States Code, 2000d-2000d-4; and Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A,
