Brent Peffer

Sales / Project Manager Petroleum Solutions, Inc.

Brent received his Bachelor of Science degree from Utah State University. He started employment in the retail petroleum industry in 1974 with a small independent self service gasoline marketing company. He was involved with facility construction, UST installation and maintenance for the company. From 1976 to 1982 he worked in the Dresser Industries Petroleum Equipment Group based in Austin and Salisbury Maryland. As a product manager for Dresser he traveled in Europe and Southeast Asia overseeing facility installations and interfacing with Dresser affiliates. From 1982 to January of 2007 he was the General Manager of Aus-Tex Service Station Equipment in Austin, Texas. In January of 2007, Aus-Tex was acquired by Petroleum Solutions, Inc. of McAllen, Texas and continues with Petroleum Solutions as a sales and project manager.

Petroleum Solutions is a full service petroleum equipment distributor with ten branches providing sales of petroleum dispensing systems, installation, service, service parts and closure of UST systems. Petroleum Solutions, Inc is a member of PEI and TCPA.

Brent holds a Type A & B TCEQ installers license. He is also an associate member of the National Conference on Weights and Measures. Along with his duties associated with Petroleum Solutions., he also does facility site inspections and evaluations and expert witness work associated with fuel system evaluation for property ROW condemnation for the State of Texas and private individuals. Clients include TxDOT and the law firm of Barron and Adler. He also has been a presenter at the TCEC annual UST Management and Compliance Assistance Seminar as well as the TCEQ inspectors training seminar.
