

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY
Protecting Texas by Reducing and Preventing Pollution

NOTICE OF COMMUNITY MEETING

Meeting Date: Thursday, May 28, 2009
Time: 7:00 p.m.
Place: Midland County Horseshoe
2002 Cotton Flat Road
Midland, Texas 79701

The Texas Commission on Environmental Quality (TCEQ) will conduct an informational community meeting regarding the hexavalent chromium groundwater plume recently discovered in the area around West County Road 112 in Midland, Texas.

TCEQ representatives as well as County Commissioner Luis Sánchez and representatives from the Texas Department of State Health Services will be on hand to provide information addressing residents' concerns. Spanish translation will be provided.

The TCEQ has established a web page to provide information and updates about the investigation. General information about hexavalent chromium is also available. The website may be found at www.tceq.state.tx.us/remediation/sites/cr112.html

Si tiene alguna pregunta o necesita informacion adicional, favor de llamar al 1-800-633-9363 y hable con John Flores, El Coordinador de Relaciones de la Comunidad.
