

Draft recommendations on these recreational use attainability analyses are available on TCEQ's website:  
<http://www.tceq.texas.gov/waterquality/standards/ruaas/index#recommendations-for-public-comment>.

Comments can be submitted via email to [standards@tceq.texas.gov](mailto:standards@tceq.texas.gov) or by mail to: Katherine Lavelle TCEQ  
MC-234 P.O. Box 13087 Austin, TX 78711

The TCEQ will not issue a formal response to the comments at this stage. There will be another comment period after the recommendation on recreational use has been formally proposed by TCEQ.
