Job Description:

Reviews and evaluates engineering design and performance data for public water system facilities for the Texas Commission on Environmental Quality (TCEQ). Reviews requests for exceptions to public water system design standards submitted by licensed professional engineers and other water supply professionals; reviews and evaluates design and performance data; applies regulations in a manner consistent with sound engineering practices and public health principles; prepares reports and correspondence to memorialize decisions. Working under the direction of senior staff, reviews innovative technologies. Provides technical assistance to consulting engineers, city and county officials, water system owners and operators, agency staff, other governmental entities, and the general public. Performs technical peer-review of correspondence prepared by engineering specialists and natural resources specialists.

Military Occupational Specialty (MOS) Codes: 120A, 12A, 51S, 51T, 881A, 122, 144, 151, 510, 510, 613, 753, 016, 23, 46, 50, 51, 52, 53, 55, 56, 58, 64, 1120, 1302, 8820, 8826, 8831, 8834, 32EX, and 62EX

Minimum Qualifications:

ENGINEER I - Texas Professional Engineer's license.

ENGINEER II - Texas Professional Engineer's license plus one year of full-time engineering experience beyond licensure.

OR One year of full-time experience at TCEQ as an Engineer I.

ENGINEER III - Texas Professional Engineer's license plus two years of full-time engineering experience beyond licensure.

OR One year of full-time experience at TCEQ as an Engineer II.

ENGINEER IV - Texas Professional Engineer's license plus three years of full-time engineering experience beyond licensure.

OR One year of full-time experience at TCEQ as an Engineer III.

ENGINEER V - Texas Professional Engineer's license plus four years of full-time engineering experience beyond licensure.

OR One year of full-time experience at TCEQ as an Engineer IV.

Qualifying work experience includes that obtained post licensure as an engineering graduate student or teacher.

Preferred Requirements:

Experience working for a public water system.
Experience with design or construction of wells.
Experience preparing reports, correspondence, and recommendations.

Special Requirements:

Moving up to 25 pounds of paper and supplies.
Traveling up to 10% of the time.
The agency will review the applicant's driving history in connection with the use of a vehicle in the performance of the job.

Condition of Employment:

TCEQ will verify Selective Service registration for males born on or after January 1, 1960. If exempt from Selective Service registration selected candidate must provide proof of exemption on first day of employment. Offers of employment are contingent on the candidate having legal authorization to work for the TCEQ. TCEQ will conduct a criminal history records search on candidates selected for posted vacancies. Only applicants who are interviewed will receive written non-selection notification.

Submit a standard State of Texas application for **each job posting** to the Texas Commission on Environmental Quality, Human Resources & Staff Services (HRSS) office by 5:00 p.m. on the closing date. A signed faxed or emailed copy is acceptable. In compliance with ADA, if you need any special accommodations during the employment process, please contact HRSS for assistance.
