Job Description:

Provides consultative and technical guidance in the planning, development, and implementation of the Texas Emissions Reduction Plan (TERP) and related programs for the Texas Commission on Environmental Quality (TCEQ). Conducts research and maintains information on engine certifications, retrofit technology verifications, and other information regarding emission rates and standards. Assists grant application review staff in determining project eligibility, confirms engine certification and technology verifications, and provides other technical assistance needed for the application review process. Reviews technically complex grant applications for completeness and eligibility. Develops and maintains technical supplement documents and other technical criteria for the TERP grant programs. Develops and maintains electronic calculators for use by TERP staff and calculators for use by grant applicants. Assists in development of program processes, and provides technical assistance in the determination of default usage rates.

Military Occupational Specialty (MOS) Codes:

12A, 12X, 51S, 72D, EA, 50, 59, ENG10, 8831, 8834, 3E5X1, and 8E000

Minimum Qualifications:

A bachelor's degree from an accredited college or university with a major in engineering, basic science, mathematics, environmental science, computer science or a related field (COPY OF OFFICIAL TRANSCRIPT REQUIRED WITH APPLICATION), plus five years of full-time experience in performing engineering, technical, or related assignments.

OR A master's degree from an accredited college or university (COPY OF OFFICIAL TRANSCRIPT REQUIRED WITH APPLICATION) in the specified fields plus four years of full-time experience in performing engineering, technical, or related assignments.

One year of full-time experience in performing engineering, technical, or related assignments may be substituted for each year of the required education.

Preferred Requirements:

Experience working with emissions data.
Experience explaining technical information to others.

Special Requirements:

Moving up to 20 pounds of paper.
Traveling up to 10% of the time.

Condition of Employment:

TCEQ will verify Selective Service registration for males born on or after January 1, 1960. If exempt from Selective Service registration selected candidate must provide proof of exemption on first day of employment. Offers of employment are contingent on the candidate having legal authorization to work for the TCEQ. TCEQ will conduct a criminal history records search on candidates selected for posted vacancies. Only applicants who are interviewed will receive written non-selection notification.

Submit a standard State of Texas application for **each job posting** to the Texas Commission on Environmental Quality, Human Resources & Staff Services (HRSS) office by 5:00 p.m. on the closing date. A signed emailed copy is acceptable. In compliance with ADA, if you need any special accommodations during the employment process, please contact HRSS for assistance.
