Position #(s): 9018

Job Description:

Assists in planning, development, and implementation of programs and activities related to Texas Emissions Reduction Plan (TERP) for the Air Quality Division of the Texas Commission on Environmental Quality (TCEQ). Participates in the planning, development, and implementation of TERP programs. Coordinates with section management to establish priorities and deadlines and ensures they are met. Evaluates proposed legislation and assists in the development of rules, guidelines, and program implementation documents. Prepares materials to be delivered/presented at various meetings regarding guidelines, policies, or procedures as they relate to the TERP program. Communicates the status of program development/implementation activities and facilitates open negotiations via telephone calls, correspondence, reports, and participation in related meetings and workshops. Serves as the staff liaison to interested parties outside of the organization. Provides guidance related to policies, procedures, subject matter, and internal management directives for TERP grant program development activities. Oversees the development and update of standard operating procedures (SOP) and other policy and procedural documents. Conducts complex technical reviews of applications submitted under the TERP incentive programs.

Military Occupational Specialty (MOS) Codes:

35F, 59A, IS, OS, 641X-LDO, 21, 25, MGT15, MGT17, 3450, 2GoX1, 16RX, and 86Mo

Minimum Qualifications:

A bachelor's degree from an accredited college or university (COPY OF OFFICIAL TRANSCRIPT REQUIRED WITH APPLICATION), plus two years of full-time experience in planning, research, program analysis, or program management.*

A graduate degree from an accredited college or university, with a major in planning, economics, business or public administration, political science, environmental management, environmental science (COPY OF OFFICIAL TRANSCRIPT REQUIRED WITH APPLICATION), or a closely related field may substitute for one year of experience.

* Program management is work where primary duties consist of planning, organizing, administering, and coordinating and/or overseeing projects related to a program of an organization.

Preferred Requirements:

Experience developing guidance documents.

Experience explaining technical information to others.

Special Requirements:

Moving up to 10 pounds of equipment, samples.

Traveling up to 10% of the time.

Condition of Employment:

TCEQ will verify Selective Service registration for males born on or after January 1, 1960. If exempt from Selective Service registration selected candidate must provide proof of exemption on first day of employment. Offers of employment are contingent on the candidate having legal authorization to work for the TCEQ. TCEQ will conduct a criminal history records search on candidates selected for posted vacancies. Only applicants who are interviewed will receive written non-selection notification.

Submit a standard State of Texas application for **each job posting** to the Texas Commission on Environmental Quality, Human Resources & Staff Services (HRSS) office by 5:00 p.m. on the closing date. A signed emailed copy is acceptable. In compliance with ADA, if you need any special accommodations during the employment process, please contact HRSS for assistance.
