Position #(s): 10080

Job Description:

Performs technical work in the field of water pollution for the Lubbock Regional Office of the Texas Commission on Environmental Quality (TCEQ). Conducts technical inspections, surveys, and follow-up investigations; prepares reports which documents field activities and observe conditions. Conducts environmental monitoring; and prepares technical papers regarding studies involving environmental subjects. Provides technical assistance to the public, regulated community, and other interested groups regarding the application of appropriate regulations. Assists with the collections and analysis of environmental samples.

Military Occupational Specialty (MOS) Codes:

72D, 8831, 8E000, and 9S100

Minimum Qualifications:

A bachelor's degree from an accredited college or university (COPY OF OFFICIAL TRANSCRIPT REQUIRED WITH APPLICATION), with a major in a natural or physical science, engineering, environmental studies, or related field.

One year of full-time experience in the field of environmental activities directly related to the examples of work performed may be substituted for each year (30 semester hours) of the required education.

Preferred Requirements:

Bachelor's degree from an accredited college or university with a major in basic science, environmental studies, or engineering.

Special Requirements:

Moving up to 35 pounds of equipment/samples.

Traveling up to 50% of the time.

Using sampling equipment to conduct inspections.

Working more than 40 hours per week, as needed, to complete assignments or assist with emergency response efforts.

The agency will review the applicant's driving history in connection with the use of a vehicle in the performance of the job.

Condition of Employment:

TCEQ will verify Selective Service registration for males born on or after January 1, 1960. If exempt from Selective Service registration selected candidate must provide proof of exemption on first day of employment. Offers of employment are contingent on the candidate having legal authorization to work for the TCEQ. TCEQ will conduct a criminal history records search on candidates selected for posted vacancies. Only applicants who are interviewed will receive written non-selection notification.

Submit a standard State of Texas application for **each job posting** to the Texas Commission on Environmental Quality, Human Resources & Staff Services (HRSS) office by 5:00 p.m. on the closing date. A signed emailed copy is acceptable. In compliance with ADA, if you need any special accommodations during the employment process, please contact HRSS for assistance.
