TCEQ Hiring Event

Tuesday, August 13th 8:30 AM to 4 PM., at the Texas A&M University Corpus Christi – NRC Building, 6300 Ocean Drive, Room 1009, Corpus Christi, TX 78412

TCEQ hiring managers will be present to conduct interviews for the position(s) listed below. Candidates should bring a photo copy of their official transcripts, a completed State of Texas application, and a list of references. Candidates who meet the minimum qualifications may be provided an opportunity to interview. Interviews will end when all offers of employment have been extended.

Please note: Eligible candidates will be considered for interview slots on a first-come, first-serve basis the days of the event. Applications will not be accepted prior to this hiring event.

Environmental Investigator II, Posting X19002, $3235.00 (monthly) (Position 6461)

Job Description:
Performs moderately complex technical work in the fields of air, water, or waste pollution for the Corpus Christi Regional Office of the Texas Commission on Environmental Quality (TCEQ). Conducts technical inspections, surveys, and follow-up investigations; prepares reports which documents field activities and observed conditions. Conducts environmental monitoring; and prepares technical papers regarding studies involving environmental subjects. Provides information to the public, regulated community, and other interested groups regarding the application of appropriate regulations. Assists with the collection and analysis of environmental samples.

Military Occupational Specialty (MOS) Codes:
72D, 8831, 8E000, and 9S1000

Minimum Qualifications:
A bachelor's degree from an accredited college or university (COPY OF OFFICIAL TRANSCRIPT REQUIRED WITH APPLICATION), with a major in a natural or physical science, engineering, environmental studies, or related field. One year of full-time experience in the field of environmental activities directly related to the examples of work performed may be substituted for each year (30 semester hours) of the required education.

Special Requirements:
Moving up to 35 pounds equipment/samples.
Traveling up to 50% of the time.
Climbing to heights of 40 feet without acrophobia.
Working more than 40 hours per week as needed, to complete assignments, or assist with emergency response efforts.
Using sampling equipment for inspections.
Conducting investigations with potential exposure to hazardous substances.
Agency will review the applicant's driving history in connection with use of a vehicle in the performance of the job.

Condition of Employment:
TCEQ will verify Selective Service registration for males born on or after January 1, 1960. If exempt from Selective Service registration selected candidate must provide proof of exemption on first day of employment. Offers of employment are contingent on the candidate having legal authorization to work for the TCEQ. TCEQ will conduct a criminal history records search on candidates selected for posted vacancies. Only applicants who are interviewed will receive written non-selection notification.

In compliance with ADA, if you need any special accommodations during the employment process, please contact HRSS for assistance at (512) 239-0102.
