Re: Comments on Proposed Repeal of Carbon Pollution Emission Guidelines for Existing Electric Utility Generating Units (EGU)

Dear Sir or Madam:

The Public Utility Commission of Texas (PUCT), Railroad Commission of Texas (RRC) and Texas Commission on Environmental Quality (TCEQ) appreciate the opportunity to comment on the United States Environmental Protection Agency's proposed repeal of Carbon Pollution Emission Guidelines for Existing EGUs, otherwise known as the Clean Power Plan. The PUCT, RRC, and TCEQ support the repeal of the Clean Power Plan. Detailed comments on the proposed repeal are enclosed. Also enclosed are the original December 1, 2014 comments submitted by the PUCT, RRC, and TCEQ in opposition to the proposed Clean Power Plan, which are being submitted for the record in support of the proposed repeal.

If you have questions concerning our comments on the proposed repeal, please contact Mr. Steve Hagle, P.E., at (512) 239-1295 or by email at steve.hagle@tceq.texas.gov.

Sincerely,

Stephanie Bergeron Perdue
Interim Executive Director
