

2015 Financial Assistance Workshops

The Texas Water Development Board (TWDB) is pleased to invite you to our annual workshops highlighting our low-cost financial assistance programs. This year we have scheduled additional workshops in our efforts to bring this important information to service providers across the state. New program information has been added to the agenda and we've included the ability for service providers to schedule time with TWDB staff to discuss their individual project needs. A TWDB Board member will also be attending the workshops.

Discussion topics include:

- Clean Water and Drinking Water State Revolving Fund (SRF) programs' upcoming funding cycle and important information regarding recent program changes
- The new State Water Implementation Fund for Texas (SWIFT) Abridged Application – due 2/3/15
- The new on-line SRF Project Information Form – due 3/2/15
- The new on-line Financial Application Form for all TWDB programs.

Workshops begin at 9:00 a.m., with the initial session consisting of presentations followed by breakout “one-on-one” sessions with live demonstrations. Scheduled Pre-Application Meetings may be held following the presentations. The locations and dates of the Financial Assistance Workshops are:

Uvalde - January 8 - Texas Agri-Life Research & Extension Auditorium, 1619 Garner Field Road

El Campo - January 9 - El Campo Civic Center, Duson Room, 2350 N. Mechanic Street
